

HS22.330

Full Batten TRACKS

Choice of the track. 22×11 track is designed specifically for HS systems, with fibre sliders. This is the smallest of full batten tracks, yet it fits racing boats up to 60', thanks to the high resistance and low friction of the HS22 sliders.

Via del Progresso 18/20 35127 — Padova (PD), Italy (+39) 049 8701265
